Hamburger Mary's Holds Grand Re-opening

The Las Vegas Hamburger Mary's re-opened her doors to the public on January 28th to a newly improved and expanded joint. "We needed a lift- a rejuvenation- to stay competitive," said Andy Barrett, one of Mary's owners.

Aside from an internal paint-job and change of decor, Mary's also added a number of additions to her classic signatures. "Being a part of a national chain, allows us to take part of Hamburger Mary's corporate menu," explained Barrett. Incorporating local customer requests into the existing corporate menu, Mary's has been able to expand its five-page menu to eight pages.

However, the most obvious and unique change to Mary's has been the creation of Mary's Coffee Corner. Set off from the main dining room, the Coffee Corner is open to all ages and provides a great hang out to play games, enjoy your favorite coffee drink and desert, and opportunity to make new friends or enjoy the company of existing ones.

"This has been an incredibly positive experience," said James Healey, a partner of Mary's. "Our business has gotten stronger every day, and from the feedback received from guests in the restaurant, it's clear that people want this. Las Vegas' gay community wants something they can be proud of. Something clean, good, and above all, fun." ▼

Krave Exonerated in Death

After months of investigation, the Clark County District Attorney has exonerated Krave Nightclub and its security from any criminal charges related to the Nov. 14, 2004 death of 26-year-old Peter James Lawrence. Lawrence died after struggling with security guards outside of Krave nightclub. Though the cause of death was initially undetermined, the Clark County coroner's office has ruled that the death of Lawrence was a result of acute asphyxiation.

Lawrence had reportedly caused a disturbance in the club earlier in the evening after confronting an ex-girlfriend who claimed to have a restraining order filed against him. Following his struggle, Lawrence was restrained by a number of security guards and handcuffed, then placed on

the sidewalk outside the club. Shortly before police arrived at the scene, Lawrence became unconscious and died.

"When Detective Barry Jensen contacted us to say there was insufficient evidence of any wrong doing, we felt that decision was in-line with all the information that we had gathered internally," said Krave owner Sia Amiri. "Of course our condolences go out to the family on the unfortunate death of Mr. Lawrence." ▼

Go West Media Acquires Three Titles

Las Vegas based Go West Media Group has acquired three gay adult publications from In Touch Inc. The three titles, *In Touch*, *Indulge* and the quarterly *Black Male* will relocate from California to Las Vegas.

"We are excited about the opportunity to publish these incredible titles, and we are honored and proud to be adding to our family," said Wes Miller, President and CEO of Go West Media Group.

In addition to the three publications, Go West Media will also take over production of the *In Touch Auditions* video series. "We will explore additional exciting DVD products and opportunities," Miller indicated.

Go West Media is relocating the magazine operations from California to Las Vegas, where they plan on enhancing the publications with exciting new features and increased circulation.

Both the *In Touch* publication and video series cater to men who prefer the boy next-door type, whereas *Indulge* features muscular men of age. *Black Male* presents well-built men of color. All three publications are in full color and include erotic fiction, erotic art, and the latest video reviews, book reviews, and information on gay culture.

QVF Charity Bingo Raises \$4,000

The QVegas Foundation (QVF) raised over \$4000 from its festive charity bingo on January 26th at Hamburger Mary's. QVF is a local non-profit organization dedicated to allocating funds to various clubs and organizations within the community. The event drew a crowd of over 200 members from the Las Vegas community.

Hosted by Las Vegas' very own Kitty Litter, Steve Moore, and Si Si Grant, sponsors for the event included Bang & Olufsen, The Male Bag, Golden Rainbow, Sona Laser Center, Pride Factory, Findlay Cadillac & Saab, PR Plus, Cirque Du Soleil, Steve Lebow, Jarrod Meistle, House of Blues, Capriotti's, Primm Valley Resorts, Mix 94.1, Jeffrey Sanker Enterprises, Nick San Pedro, Alta Photography, Trip Quest Inc., The Natural Touch, Four Seasons Dental Spa, Skin Clinic, QVegas, Park Avenue Salon, SNAPI, and Hamburger Mary's.

The \$4000 was distributed to Golden Rainbow, Saint Therese Center and the Gay & Lesbian Community Center.

An extra special thanks goes to Primm Valley Resorts for their donation of 200 tickets for the LeAnn Rhimes concert. ▼

Pentagon: Gays Not Needed In War On Terrorism

In an interview for the February 3 issue of *American Forces Press Service*, Undersecretary of Defense for Personnel and Readiness Gail McGinn, underscored the Pentagon's need to recruit new language specialists, especially those who speak Arabic.

McGinn's comments come just three weeks after the *New Republic* reported that between 1998 and 2004, the military discharged 20 Arabic and six Farsi language speakers under the "Don't Ask, Don't Tell" ban on lesbian

and gay military personnel. Half of those charges came after the terrorist attacks of Sept. 11, 2001.

"Undersecretary McGinn should remind Congress that, without 'Don't Ask, Don't Tell,' our military would have at least twenty additional Arabic linguists on the job," said C. Dixon Osburn, executive director of Servicemembers Legal Defense Network (SLDN). "The military's gay ban is impacting the Pentagon's ability to efficiently translate terrorist messages, communicate with civilians on the ground in Iraq and Afghanistan and protect the national security of the United States." ▼

Nevada Short On HIV/AIDS Assistance

Governor Kenny Guinn has proposed a budget that does not increase state funding for the AIDS Drug Assistance Program despite the state Health Division's request for increased assistance. In 2004, the state program ran short of funds and had to rely on emergency funds from Clark County to maintain operations.

The Health Division had initially requested \$4.5 million to fund the program in the next two fiscal years, but Governor Guinn's budget recommends no increase from the previously budgeted \$2.7 million.

The program is a major source of medication for HIV and AIDS sufferers. It is estimated that around 870 Nevadans currently receive medicine through the program. That number is expected to grow to around 1,000 over the next two years. ▼

New York Judge Says Gays Allowed To Marry

In a 62-page decision that will go into effect in New York County in 30 days, State Supreme Court Justice Doris Ling-Cohan said that the New York State Constitution guarantees basic freedoms to same-sex couples and that those rights are violated when same-sex couples are denied marriage licenses.

"The court simply recognized that every New Yorker deserves the same promise of equality under law," said Seth Kilbourn, vice president for the Human Rights Campaign's Marriage Project. "This is about real people who are being denied real protections and security without the right to marry." ▼

Frank Marino Honored With Star

On February 1, Las Vegas entertainer and star of the Riviera's *La Cage* was inducted into the Las Vegas Walk of Stars. Marino was presented with his own granite star, which will be placed on the sidewalk in front of the Riviera Hotel and Casino where *La Cage* has played for twenty years.

Marino has appeared on numerous talk shows, made guest appearances on television and will appear in the new Sandra Bullock film, *Miss Congeniality 2* slated for release on March 25.

February 1 was also proclaimed "Frank Marino Day" in Las Vegas by Mayor Oscar Goodman.

Clark County has sanctioned four miles of sidewalk to the East and West of Las Vegas Boulevard between Sahara and Russell for the "Las Vegas Walk of Stars" project. Similar to the "Hollywood Walk of Fame" in California, the Las Vegas project honors people of prominence in a variety of fields including entertainment, sports, literary, humanitarian, civic and military. ▼

KÁ

**Cirque Du Soleil Unveils
Its Most Ambitious
Creation To Date**

COVER STORY

BY STEPHEN D. MOORE

CIRQUE DU SOLEIL is world-renowned for its distinct brand of theatrical entertainment and has become an entertainment cornerstone in Las Vegas with *Mystere* (Treasure Island), *O* (Bellagio) and *Zumanity* (New York-New York). With Cirque's latest creation, *KÁ* at the MGM Grand, a new standard of showmanship and production quality has been set in Sin City.

The show's title, *KÁ*, is inspired by the ancient Egyptian belief in the "ka," an invisible spiritual duplicate of the body that accompanies every human being throughout this life and into the next. The show's plot involves the epic saga of Imperial Twins—a boy and a girl—who embark on an adventurous journey to fulfill their destinies.

In *KÁ*, Cirque Du Soleil has returned to its core strength — human performance. The

show combines martial arts, unbelievable acrobatics, puppetry, multimedia and mind blowing pyrotechnics. The twins' journeys take them through a succession of challenging landscapes and ever-changing performance spaces that conjure an entire world on stage.

KÁ is created and directed by acclaimed theatre and film director Robert Lepage. Lepage (*The Far Side of the Moon*) describes the story as "the coming of age of a young man and a young woman through their encounters with love, conflict and the duality of *KÁ*, the fire than can unite or separate, destroy or illuminate."

With a price tag of \$165 million, the most impressive aspect of *KÁ* is the 1,950-seat theatre itself. Formerly the home of *EFX*, the theatre — which reaches a height of nine stories — is now designed and integrated as part of the overall show

experience. The show actually begins the moment you walk into the theatre and witness acrobats swinging from steel towers high above the theatre.

Instead of a traditional stage, intricate props and sets rise from five stories below the theatre on a series of hydraulic lifts. Actors fall from great heights into safety nets and air bags below the stage area.

KÁ incorporates 75 cast members, 120 technicians and 38 crew members working behind the scenes to keep the show moving.

Puppet designer, Michael Curry (*The Lion King*) has created a cast of phenomenal puppets for *KÁ*, including crabs, bugs, a starfish, and a turtle. Instead of controlling the puppets with strings, dancers are fitted into the costumes to add life and realism.

KÁ tickets can be purchased by calling 877-880-0880 or 702-891-7777. ▼

A Kiss Is Still A Kiss

Do you remember your first kiss?

With Valentine's Day upon us, I thought it was a good question to ask at a dinner with my friends. As we went around the table, I was surprised at the answers. Fully a third in my admittedly unscientific poll couldn't remember their first kiss.

Another third of this all-gay male group had their first kiss—with a woman. I've always thought it sad for those gays and lesbians whose first kiss was with members of the opposite sex. It's as if they were cheated out of the true zing of the experience. As one friend said at dinner, "She put her tongue in my mouth, and I wasn't having any of that!"

One man had his first kiss at age four, with another four year old boy he was play pretending "Let's get married" with. But he's from Alabama, so I'm not sure that really counts.

The remainder did remember. Time, date, place, and who with — and often, how the first sex was that followed. But they didn't remember much about the feelings of the kiss, which, it seemed to me, must be a lot like watching a black and white movie instead of color. Me, I have my memories in Technicolor HDTV.

I remember my first kiss.

It wasn't with a girl.

I was 19, at school in the South of France, in a small town with tree-lined boulevards and moss-covered fountains, where the people sitting in the cafés were laughing, or seemed about to laugh, always.

I met a handsome older man. Someone more experienced than me in the ways of the world. He was 21.

My first kiss was with him.

After I got over the initial shock of having someone else's tongue in my mouth (my own wasn't used to sharing the space, and it took a moment to learn to play well with others), I remember thinking, "Wow. This feels really good. So this is what all the fuss is about!"

That was when I stopped analyzing, and I started focusing on kissing back. My technique was unrefined. After all, I'd never done this before. But I'm a quick study. I just did what he did—back. And I tried not to peek too much to see if he was appreciating my effort.

"I've always thought it sad for those gays and lesbians whose first kiss was with members of the opposite sex."

The beauty of kissing when you've never done it before is that the pure novelty of it doesn't wear off for a while. I remember that at any opportunity, wherever we happened to be, I would look up at him and pout a little. It wasn't really so much pouting, exactly, as it was doing my damndest to look kissable. My inspiration was Ingrid Bergman in *Casablanca*. I couldn't use Bogart, because even if he whistled, that man just never looked kissable. And there weren't many memorable guy-on-guy kisses in the movies that I could refer to. So when I looked up at my guy, I could almost feel the wind machines blowing my hair, I could hear the propellers of the plane rumbling in the background, and vaguely, just vaguely, I could see the mist surrounding us, as

the background music began to rise to a crescendo. Dramatic imagination has never been something I lacked.

If looking kissable didn't work, then I simply would pull him into a doorway as we were walking, press him against a wall, and brush my lips against his. That usually got his attention.

And did I mention the romance part? We were in a centuries-old town with narrow streets and cobblestones, fountains around every bend, dolphins, and swans spouting water and such. The water whispered in the background.

Then sometimes he would sing. He had a lovely voice. He would get this look of unmitigated joy, and he would let loose a song. It was the first time anybody had ever sung to me. Heck, it was the first time anybody had done a lot of things that were new to me.

And I remember feeling beautiful. I'd never felt that way before. Actually, I've never felt precisely that way since. First love is a healing process. It's the way that you begin to open up your eyes to the idea that maybe the insecurities you've saddled yourself with over a lifetime really don't matter. Because he loves you anyway.

Never mind that first love almost always turns out badly, often out of your own ineptitude, and your first love invariably turns out to be a bit of a jerk—one who has profound influence on the rest of your life, and never even realizes it.

No, for the moment, you're lost in the thrill of the kiss, and your feet only barely touch the ground. It almost feels like you're flying.

I'm not entirely convinced that you don't. ▼

DESERT DIVA BY MONTI ROCK III

Farewell to Late Night

I have been all over the television and other publications recently talking about the passing of my mentor, **Johnny Carson**. To be gay in the 1960s was to be a pioneer, to get airtime on national TV was historic. I stayed with the *Tonight Show* for eighteen years and hope I represented us well. May this great and visionary man rest in peace.

Of all the shows you can see in Vegas I want to recommend the new **Chippendale Theatre and Ultra Lounge** at the **Rio**. It is more than a male review — it is high camp. A production like this could only be seen in Las Vegas.

Over at the MGM, the latest from the Cirque du Soleil stable is **KÀ**. Two hundred million dollars and a transformation of the old *EFX* showroom will leave you in utter amazement. You must see it, at any price!!!

"*Hairspray*," my favorite show of all time, which I predicted would come to Vegas, is finally coming. This musical, based on the **John Waters** movie, will be a smash hit when it opens at the Luxor.

Speaking of shows... **The Blue Man Group** is departing the Luxor for the Venetian, where incidentally *The Phantom of the Opera* will open in it's own fabulous theatre later this year. Over at The Gold Coast, *Forever Plaid* recently opened and I predict it will be a hit.

Our wonderful **Frank Marino**, who just had his face freshened up with plastic surgery for the Discovery Channel, was honored with his own star on Las Vegas' Walk of Stars.

I had an interesting month touring some of our local casino cafés. To be fair in my comparison, I tested each café's house fried rice. It seemed a fairly neutral dish that most people like. Palace Station came out on top with a good selection of ingredients, notably big shrimp. The Orleans served up a greasy composition of fried leftovers all in an ornate covered dish. Barbary Coast, Suncoast and Boulder Station

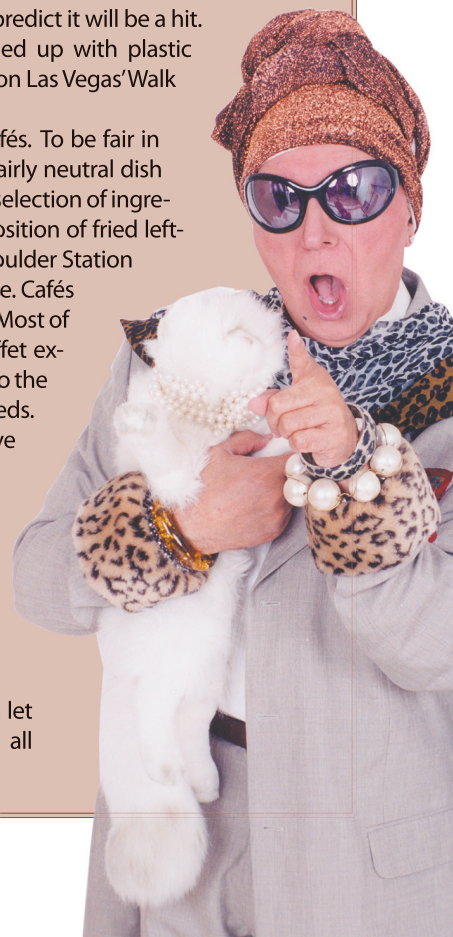

were all acceptable. Cafés are a local favorite. Most of us are over the buffet experience and look to the café to fill our needs. The local joints have got to get this one right if they want us to keep coming back. I am going to delve more deeply into this little appreciated dining experience and let my readers know all about it. ▼

SAHARA STRIP

HOROSCOPES BY REV. BILL MORIN

Aquarius

(January 20-February 18)

Like a thoroughbred out of the starting gate, you'll have everyone on your side up until Feb. 19th. Keep that wallet glued to your side on the 28th. An old "sparring partner" reappears on March 7th. Be careful what you ask for on the 11th, because you're very likely to get it.

Pisces

(February 19-March 19)

Once the Sun transits to your sign on Feb. 18th, any relationship confusion shall clear up. Not so with your financial situation however. That'll take time. The 26th looks best for rallying group support. Obey the speed limit on March 5th. Stay out of other people's drama on the 13th.

Aries

(March 20-April 19)

Energies around you run very hot & cold until Feb. 22nd. Don't expect anything to be constant much before the 27th. Avoid straining your voice on March 4th. Investment opportunity on the 9th has the makings of a real winner. Secrets shared with you on the 12th must be kept.

Taurus

(April 20-May 20)

Your patience will be tested on Feb. 18th. Count to 100 before speaking. Watch spending closely on the 24th. Health update for a parent on the 28th is positive. Out of town gig in early March floats your financial boat. Be more receptive to the needs of a troubled/needy sibling.

Gemini

(May 21-June 21)

Financial matters take the lead for much of this month. Work on saving as much as possible. Feb. 20th finds your energies very low, so don't push it. Social outing on the 26th proves sensational. You'll meet a career challenge "toe to toe" on March 5th. Then you can celebrate.

Cancer

(June 22-July 22)

It looks like 2 weeks of rainbows followed by 2 weeks of rain. Motivation and momentum will be with you up until Feb. 28th. Accomplish whatever possible during this period. After March 1st, you'll need to put on some protective gear and switch to a more defensive "mode."

Leo

(July 23-August 22)

Your popularity levels soar after Feb. 18th, but don't let that go to your head. That new love interest might not be ready to commit yet. The boss asks you for a lot on the 25th. Watch where you park that "dream car" on March 7th. It'll be much easier to get favors granted after the 10th.

Virgo

(August 23-September 22)

Playing it safe isn't always the wisest course of action. Take a chance now and then; especially on Feb. 21st. Accept that dinner invite for the 26th. Your physical vitality improves quite a bit after March 5th. Avoid the party scene on the 12th. Be generous & caring on the 14th.

Libra

(September 23-October 22)

You'll be as busy as a bee in springtime and loving every minute of it. But, it's important to not neglect your social life. The boss lightens up late in Feb. and you get more free reign. March begins with a short out of town trip that transforms you. Vary your diet a little bit more.

Scorpio

(October 23-November 21)

This month begins and ends beautifully and ends up on the plus side. It's the period from Feb. 23rd-March 5th that you've got to watch. During this time, get everything in writing and taking nothing/no one for granted. March 7th-14th look fast paced and self-nurturing.

Sagittarius

(November 22-December 21)

Mid to late February looks pretty much low key & business as usual, but a lovely vibe envelops you on the 26th & remains through late March. Celebration on the 27th proves fateful. Possible move comes into play around March 6th. Look before leaping on the 11th.

Capricorn

(December 22-January 19)

This month rates an 8 out of 10. Only the last week proves disappointing for you. Feb. 17th brings an amazing new business contact. Renovations at home complete on a joyous note, so throw a party! March begins as a whirlwind. Don't do highway driving on the 10th.

TROY By Michael Derry #116 "JEALOUS MUCH?"

TROY! SO GOOD TO SEE YOU OUT AND ABOUT AGAIN! I'M SO GLAD YOU'RE FEELING BETTER.

THANKS ROY. AND... THANKS FOR FILLING IN FOR ME IN THE SHOW THESE LAST COUPLE WEEKS. I REALLY... APPRECIATE IT.

OH, NO PROBLEM AT ALL! I'M HAPPY TO BE DOING IT. I JUST WANT YOU TO FEEL BETTER.

OH, I'M FINE. PHYSICALLY, I JUST NEEDED SOME TIME TO REALLY TAKE A STEP BACK AND REASSESS MY LIFE, WHAT WITH HAVING DIED AND COME BACK AND ALL! I NEED TO TRY AND MAKE SENSE OF IT ALL, YA KNOW?

OF COURSE! THAT IS SO GREAT. TAKE ALL THE TIME YOU NEED. YOU KNOW, NICK AND I WERE TALKING THE OTHER NIGHT AND HE TOLD ME ALL ABOUT YOUR LITTLE CHOKING JAG AND... WELL... LET ME REASSURE YOU THAT YOU HAVE ABSOLUTELY NO REASON WHAT SO EVER TO FEEL JEALOUS ABOUT NICK AND ME. NONE AT ALL!

UH HUH. AND WHAT EXACTLY DID NICK SAY THAT WOULD MAKE YOU THINK I WAS JEALOUS?

JUST THAT YOU SAID THAT YOU HAD SOME CONCERNS ABOUT ME, AND THEN YOU CHOKED TO DEATH. GOSH! I NEVER KILLED ANYONE BEFORE. I'LL TRY TO BE MORE CAREFUL NEXT TIME!

ONE NON-FAT CARAMEL-MOCHA LATTE. OH, HEY ROY. I DIDN'T THINK I'D SEE YOU TILL TONIGHT.

WELL THEN, I GUESS IT MUST JUST BE YOUR LUCKY DAY!

FEEL BETTER SOON, TROY? SEE YOU TONIGHT, NICK.

WHAT? DIDN'T YOU WANT NON-FAT? WHAT???

TROY By Michael Derry #117 "LOVE AND MARRIAGE?"

RAH, LOOK! BRIAN HAS BEEN WITH DOUG FOR HOW LONG AND THERE HE IS MAKING OUT WITH SOME OTHER GUY! RIGHT OUT IN THE OPEN!!!

YEA, WELL, A GAY COUPLE IN A LONG TERM RELATIONSHIP. WHAT DO YOU EXPECT?

WELL... UM... I'M GAY AND I EXPECT MY BOYFRIEND TO BE FAITHFUL AND LOYAL AND TO LOVE ME! DON'T YOU EXPECT THE SAME FROM DERRICK?

WHOA! DOWN BOY! IS THIS ABOUT YOU AND NICK AND ROY AGAIN? I'M SURE NICK IS BEING FAITHFUL! BESIDES, JUST BECAUSE TWO GUYS AREN'T MONOGAMOUS DOESN'T MEAN THEY DON'T LOVE EACH OTHER. MAYBE THEY JUST HAVE A DIFFERENT IDEA OF WHAT LOVE IS THAN YOU DO.

HOW CAN YOU, RAY, OF ALL PEOPLE SAY SOMETHING LIKE THAT? ALL YOUR TALK ABOUT MARRIAGE EQUALITY, BUT THEN YOU THINK THE RULES DON'T APPLY TO YOU? MARRIAGE IS MARRIAGE RAY! MAYBE IT DOES NEED TO BE PROTECTED FROM PEOPLE LIKE... LIKE... SEE? YOU WERE JUST CRUISING THAT GUY!

WHAT ARE YOU SAYING TROY? THAT IF DERRICK AND I DO GET MARRIED AND THEN I HAPPEN TO FUCK SOMEONE OTHER THAN DERRICK, OR WE DO A THREE WAY OR SOMETHING, THEN THE "SACRIFICY OF MARRIAGE" IS DESTROYED? AND THEN GOD ON HIGH SEES ALL THIS GAY MARRIAGE AND RAMPANT SEX AND... WHAT? HE CRACKS OPEN THE VERY EARTH AND WERE ALL CAST DOWN INTO THE PIT OF HELL? IS THAT WHAT GOD TOLD YOU, TROY?

RRRRUUUUUMMBB... RRRUUUUUMMBB... RRRUUUUUMMBB...

OK... I'LL ADMIT THE ODDS OF HAVING AN EARTHQUAKE AT THAT EXACT MOMENT ARE A BIT SUSPECT, BUT GIMME A BREAK! THIS IS CALIFORNIA!

HEY! WHATEVER IT TAKES TO GET YOU THROUGH YOUR DAY!

MY SON, LET ME EXPLAIN A LITTLE LEGAL PRINCIPLE WE CALL "HABEAS CORPUS."

GET IN.

WHY?

COMFY?

VERY.

NOT IF I DRAG YOU TO THE GARAGE AND TELL HER YOU'RE SPENDING THE NIGHT AT BILLY'S.

I THINK THAT'S CHILD ABUSE.

TELL IT TO THE JUDGE? OOPS! NO, SORRY. THERE WON'T BE A TRIAL.

WHAT IS YOUR POINT? ANYONE CAN PUT THEIR KID IN A TRUNK. I'M NOT A TERRORIST!

THAT'S WHAT THEY ALL SAY, BUT YOU'LL CHANGE YOUR-TUNE AFTER YOU WITH LITE CONTEMPORARY NIGHT LONG.

OH, VALENTINE'S DAY, WHEN WE CELEBRATE "THE LIFE-AFFIRMING BLISS OF THE EROTIC BOND."

OH! MO AND SYDNEY'S...

NOW WHAT?

I DUNNO, SYDNEY. CALL ME SENTIMENTAL...

...BUT I FIND IT HARD TO GET IT ON WHILE MY GOVERNMENT IS BUILDING MORE CONCENTRATION CAMPS, UNDERMINING THE RULE OF LAW, PUMPING OUT PROPAGANDA THROUGH THE STATE MEDIA, AND SICKING THE MARSHALS OF RUMSPLO ON PEOPLE. AT LEAST NOW I KNOW WHAT IT WAS LIKE LIVING IN 1930s GERMANY.

NO NAZIS, I BEG OF YOU!

IT'S A FACILE HISTORICAL COMPARISON! ONCE YOU INVOKE NAZIS, PEOPLE STOP LISTENING, PLUS IT'S A BOMER KILLER.

BUT IF WE FORBID THAT ANALOGY, AREN'T WE IN A WAY ERASING THE HISTORICAL RECORD AND THEREBY GUARANTEEING THE RISE OF A DICTATOR?

YOU KNOW, A SIMPLE "NOT TONIGHT, I HAVE A HEADACHE" WOULD SUFFICE.

OH AND AT SPARROW & STU'S... COME ON! SHE'S SLEEPING LIKE A DRUNKEN SAILOR. WE'LL BE VERY QUIET.

I DON'T FEEL RIGHT ABOUT IT. I GUESS WE COULD GO TO ANOTHER ROOM... BUT EVERYONE ELSE IS STILL UP.

WE COULD TAKE A SHOWER.

I JUST HAD A SHOWER.

STUART!

AREN'T YOU? I MEAN, WE'RE LIVING IN A COUNTRY RUN BY PEOPLE WHO BELIEVE IN JUDGMENT DAY! MASSIVE TRADE DEFICITS? GLOBAL WARMING? NUCLEAR PROLIFERATION? WHAT DO THEY CARE? THEY'LL BE PLAYING GOLF IN HEAVEN!

OKAY, I'M NOT IN THE MOOD. I'M JUST... I'M SO WORRIED ABOUT HER FUTURE.

WHERE ARE YOU GOING?

TO "TAKE A SHOWER."

PEEPING WITH TOM BY TOM MOILANEN

A Day With Ashton Ryan

Every so often good things happen out of nowhere. Such was the case for me during January's AVN convention, which, for those of you living under a rock (or in Utah), is the annual bash thrown by the adult film industry. Admittedly, most of the vendors and attendees are straight, but nonetheless the gay porn studios and their associates manage a consistently respectable presence

I have often contended it is not so much the convention itself, but the peripheral events, that make the party. And it was at such a party that I ran into porn muffin extraordinaire Ashton Ryan, star of *The American Way*, *The Heartland*, and other miscellaneous twink movies. Most — if not all — were produced by Junior Studios and directed by Kevin Clarke beginning in 1998, but 2005 finds Mr. Ryan as the co-director and star of a new venture entitled *Ashton's Eleven*, which was being filmed at the Viva Las Vegas Motel in conjunction with convention week.

Ashton not only consented to an interview, but he also invited me to visit him and his cohorts on the set. I may never be the same. To be in the presence of such beautiful young men under such erotic circumstances is the stuff of which dreams are made. I found the guys — in particular, Ashton, Tyler Mason, and producer/director/CEO Rocky Brown — to be friendly, articulate, witty, and pleasant. They sacrificed at least three hours of their valuable time to talk with me, provide some backdrop, and give me a few thrills that I may never have again. My only option is to return the favor and offer you the fruits (as it were) of these labors.

Due to space considerations, I must run this as a three-part feature, but fear not; what follows is a loosely edited chat between Ashton and me, interspersed with commentary, observation and a few chuckles from the gang. Guys, you're on.

OUT: You got into the business when?

A: December of '98. I was flown out to California to get money for shooting. We started blank with the idea of *The American Way* just out of pure chance. I had

met a gentleman in St. Louis who had a questionable past who ended up being my director Kevin Clarke. I flew out there. Met him. Found out about his past. He decided to take my information and the other models' information back to California and contact us separately and from there arrange the whole thing. The gentleman who was going to fund the film backed out at the last second. We went to the first GayVN Awards Show where I first met Chi Chi and everybody and we had these five gorgeous boys with us and the funding just lined up for miles. *The American Way* got shot in '98 and the first half of '99 and spun off four other movies.

How about you, Rocky?

I came from a small town that didn't even have adult magazines. I got to San Diego and started buying adult gay magazines, and the first one I bought was *Playguy* with him (Ashton) on the cover. A couple years later I was doing my Beachboi website and one of my models said "Hey Rocky, do you know Ashton Ryan?" I said "Yes I do." I threw him off the seat and started chatting and we've been friends ever since. We hit a rough spot where we had no models, so I asked him if he'd work for free for six months.

Around the same time I hit a rough spot myself. I left Kevin Clarke and I was on my own looking for a way back into the industry.

Do you ever find yourself in a position where you have to have sex with someone you're not attracted to?

Not this time. (laughter)

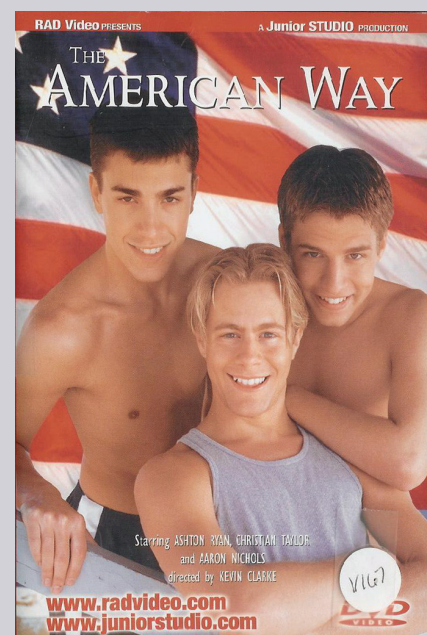

Were you and Christian Taylor a couple at one time?

I wouldn't call us a couple, but yeah, we saw each other. We hated each other. We've always hated each other. We just have incredible sex together. So that was, like, the basis of our relationship for two years. We didn't live together, ever. Well we did for like six months in Iowa when we first were seeing each other.

I know Christian is from Iowa. You're from Iowa too?

He lived 45 minutes north of me. We had been seeing each other for almost a year before we got into the movies. Originally he wasn't supposed to be in L.A. We had this huge, huge fight. He poured sand in the crankcase of the engine — which, if you want to destroy a car, is a great way to do it. So Kevin wanted us both from St. Louis and we both originally went. We got in a fight. I went to California, and we were at the awards and Kevin's like, "By the way, Christian's here." I was, like, "Oh, really." And he comes bopping up in his little suit and tie. I just wanted to choke him at the time. The next day we ended up like, screwing five times. So I forgave him for that.

Stay tuned for the next two columns, which will feature more behind-the-scenes stories from pornland and my personal account of a day on the set. ▼
