"OUR LOVE" MASS GAY & LESBIAN WEDDING EVENT TYING THE KNOT

Las Vegas has long been known as the wedding capital of the world, so what better place and time for gays and lesbians to hold their commitment ceremonies than Vegas itself during the Gay Days & Nights Las Vegas celebration?

Vegasonesource.com, in conjunction with LV Wedding Connection, will host a first-of-its-kind mass Las Vegas gay and lesbian wedding event entitled "Our Love" on Thursday, July 5 at 11:00 a.m. A second ceremony may be scheduled at 2:00 p.m. if necessary to meet demands. The ceremony will be held at Belleza Chapel (2009 Paradise Road, between Sahara Ave. and St. Louis Ave.).

The ceremony, at an affordable price of \$225, includes wedding music on a Symphonic Sound System by Bose, two rose presentations or two rose boutonnieres (or one of each, if preferred), a professional photography session with 75 preview photographs to choose from, three photos printed or on CD and a Holy Union certificate. An optional champagne toast is available an additional fee. A deposit of \$50 is required by June 29 with the balance due by July 3.

Joni Moss, owner of LV Wedding Connection, serves as wedding coordinator and is available to assist with any needs or special requests such as limousine reservations, tuxedo or gown referrals, special wedding baskets and more.

MAKE YOUR VISIT TO LAS VEGAS EXTRA SPECIAL!

Enjoy activities and attractions, dining and shopping, culture and relaxation, and breathtaking outdoor beauty-as a single traveler or with friends and family; women's groups; reunions; special events; or affinity groups. Stunning beauty from Las Vegas to the Grand Canyon West Rim, explore Hoover Dam and the Colorado River, Boulder City, Lake Mead, Valley of Fire, Overton, Red Rock Canyon, Mt. Charleston and more. Take advantage of every type of conveyance from motor coaches to limousines, jeeps and off road vehicles; from airplanes to helicopters, gliders or kayaks, motorized floats, paddle wheeler boats, mountain bikes, horseback or just your own two feet.

Whatever your destination inspiration is, Thanks Babs The Day Tripper will "make it happen" and you,

too, will say "Thanks Babs"!

Las Vegas offers many spectacular experiences well beyond the glitter and glamour of the "strip", incredible outdoor or indoor adventures and outstanding recreational or relaxing activities; and now you have an opportunity to share lasting memories with other LGBT visitors during the July 4-8th Gay Days & Nights Las Vegas. So let Thanks Babs match you up with the activity, tour or attractions that you wish to take or customize your experience to help you create unique, lifelong memories.

FRIDAY, JULY 6 GAYS GONE BY

Join a local gay and lesbian historian on the Las Vegas Yesteryear Tour. This tour may include the Las Vegas Strip, Fremont Street, the Neon Bone yard and other fabulous gems of Old Las Vegas. There will be some walking and hotel visits. Lunch is not included but there is ample opportunity to have a meal at the Fashion Show Mall food court. The tour duration is 5 hours roundtrip.

SATURDAY, JULY 7

COLORADO RIVER RAFTING AND FABULOUS WET SWIMSUIT GO AROUND

This unique day trip aboard a motor-assisted raft lets visitors leisurely enjoy and share in the history, desert wildlife and beauty of the Black Canyon of the Colorado River. Board a large comfortable 30-passenger raft as your tour launches from the base of the Hoover Dam. This extremely rare view of the Hoover Dam is a wondrous sight.

During this excursion, experienced and knowledgeable guides will describe the history of this magnificent geological area. The high canyon walls will leave you breathless. Be prepared to see Desert Big Horn Sheep, Osprey, and Great Blue Herons in their natural setting. Bring your camera and plenty of film to create your own memories of the wonders of nature.

The rafts will stop along the shore to give you a chance to swim or play in the cool clear waters below Hoover Dam. Enjoy the box lunch provided while watching and listening to the sights and sounds of this magnificent desert; or compete in our fabulous wet swimsuit contest.

Your trip will end on the Arizona side of the river at Willow Beach. Here you can shop for distinctive remembrances of your trip before boarding the tour buses for the return trip over the crest of the Hoover Dam to your Las Vegas hotel. The tour duration is 6.5 hours roundtrip.

SUNDAY, JULY 8

THE DAM DISCOVERY AND CRUISING TOUR

A guided narrated tour travels through fabulous Las Vegas en route to the magnificent Hoover Dam. In the distance you will see the spectacular shoreline of Lake Mead. Created by Hoover Dam, Lake Mead is the largest man-made body of water in the Western Hemisphere. At your first stop, the breathtaking Hoover Dam, you will be awed with the enormity of this engineering wonder of the world. Dramatic views of both the Colorado River and Lake Mead will enthrall you. The Bureau of Reclamation started conducting tours through the Hoover Dam and Power

Plant in 1937. Today, close to 1,000,000 visitors a year experience the tour and millions more drive or walk across the dam. The Discovery Tour offers ample time for exploring this National Historic Landmark; see live presentations, a fascinating film on the dam's construction and history, exhibit gallery, observation deck, and venture down to the observation room in the power plant to view the massive generators.

After a short transfer our group will then board the 300-passenger Mississippi-style Paddle Wheeler, the "Desert Princess." Your captain will point out the colorful Arizona Paint Pots, Fortification Hill and Boulder Island. Make sure you get the great lakeside camera shot of Hoover Dam on your Lake Mead Cruise. Other local points of interest can be anticipated if time permits. The tour duration is 8 hours roundtrip.

DAILY, JULY 4 - JULY 8 BRING A MATE AND PICK A DATE OUTINGS

Offered every day during Gay Days & Nights Las Vegas are six additional outings: It's a Drag! Driving Experience, Show Your Colors Kayaking Lake Mead, The Grand Rim Tour by Pink Jeep, The Rainbow Flag Cycling at Valley of Fire, The Pink Jeep Red Rock Canyon Expedition and The Virgin Anasazi Lost City Museum & Valley of Fire Tour. NCOD FESTIVAL RELOCATES TO ALEXIS PARK RESORT

National Coming Out Day Weekend Festival 2007, founded by *QVegas* magazine in honor of Human Rights Campaign's Coming Out Project, will happen during the weekend of September 28-30 at the Alexis Park Resort Hotel on Harmon Avenue near the former location of Toucan's.

For veteran attendees of this event, the new location may come as something of a surprise. Since the festival began in 2002, it has been held in the Fruit Loop. The trouble with that location is the awful traffic on Paradise and Naples. It appears the festival is a victim of its own success because as the number of attendees grows each year, so does the danger posed by such large numbers of people all trying to cross the street at the same time.

As luck would have it, the owners of the Alexis Park Resort Hotel came to the rescue and offered the hotel rooftop and swimming pool area as a venue for a weekend full of events. Put simply, this new location is too perfect for words. It is huge, safe, has all the facilities possibly needed, plenty of parking and affords the opportunity to have more activities than in past years.

This year, the truly fabulous Miss Amanda Lepore will headline the Saturday evening party with many other talented performers gracing the stage. She is widely known as the "Number One Transsexual in the World."

Alexis Park has agreed to offer suites at a truly amazing price of \$99 per night. For a weekend in Las Vegas, that is unbeatable. The number of these rooms is limited so book early by calling (800) 582-2228 and asking for the special *QVegas* rate.

This will be the biggest NCOD Weekend Festival to date. For updates on the weekend's full event schedule, continue to check *QVegas* and *OUT Las Vegas* every month through September, visit www.NCODVegas.com or sign up on www.QVegas.com for weekly e-mail blasts on this and other community events of interest. ▼

HOROSCOPES

by Rev. Bill Morin

GEMINI (May 21-June 21) A new moon affects your social life until May 18. After that, work/career matters must take top priority until the 27th. News of upcoming nuptials makes your day on the 29th. You'll be in great demand at holiday bashes July 3 and 4, but let someone else drive. It'll take more than charm to close a super deal on the 11th.

CANCER (June 22-July 21) Secrets become known June 21 as the sun transits to your sign. Energy levels may be shaky on the 28th, so don't push it. A powwow with the boss on the 30th smoothes things out. July 2 finds you driving all over town. A low-key barbeque you host on the 4th proves delightful. Try your best to take Friday the 13th as a holiday.

LEO (July 23-August 22) June 17-21 will feel like you're skiing on an avalanche. Don't let it freak you out, Leo. Most of life returns to normal (is there such a word?) on the 23rd. Getaway from the 29th to July 5 revs up your romantic engines. Let someone else have the spotlight at work on the 10th. An ailing friendship could come to an end by the 14th.

VIRGO (August 23-September 22) Your get-up-and-go will be MIA until June 20. Career/personal matter mesh beautifully from the 24th-29th. Keep those eyes open for a future benefactress July 2. A long overdue apology should be offered before the 11th. Lunar aspects make it tough for you to be understood on the 13th. Go out and party hearty on the 14th.

LIBRA (September 23-October 22) The friendly skies look awesome for flying from June 19 on. New friendships are forged and one dies by the 27th. Make the most of a tropic layover July 1. Financial surge after the 8th puts you in a sweet place, but don't splurge on too many goodies. A client/customer may try to push your buttons on the 12th.

SCORPIO (October 23-November 21) Seems like everyone wants a piece of you, but there's only so much to go around. It's OK to say "no" to a friend June 19. An out-of-town guest makes your day on the 24th. You'll need to have the faith of a child to succeed on the 30th. July 4 looks low-key this year (as it must), but you'll get to uncork some bubbly on the 9th.

SAGITTARIUS (November 22-December 21) Your self-reliance is tested June 18. It's necessary for you to give more than you get on the 26th. July 2 provide a joyous anniversary of sorts. Extra cash comes your way on the 6th. Stay out of a romantic mess on the 12th, no matter how good your intentions. Lunar aspects on the 14th make you much more desirable.

CAPRICORN (December 22-January 19) You'll need to be mostly all business from June 15-22. But, the hard work pays off big time by increasing revenues. Try to book a pleasure trip around the 30th when the new moon in your sign hits. There's much more money to play with after July 5. It's wise to wine and dine potential fat-cat investors on the 13th.

AQUARIUS (January 20-February 18) Peaceful negotiations conclude June 19. Don't apologize for how you feel on the 27th. Work stress may push you close to the edge on the 29th. The party parade chugs along from the 30th until July 4. Good financial news on the 10th brings much-needed relief. Cosmetic procedures are best performed after the 14th.

PISCES (February 19-March 19) You'll likely feel a bit distant/detached until June 21. Perk up your dwelling between the 25th and 28th. You get treated to a lovely night out on the 30th. Don't let family members pressure you July 3. The 7th provides an amazing/sensual encounter, Pisces. Offer help only where it's asked for on the 8th and 9th.

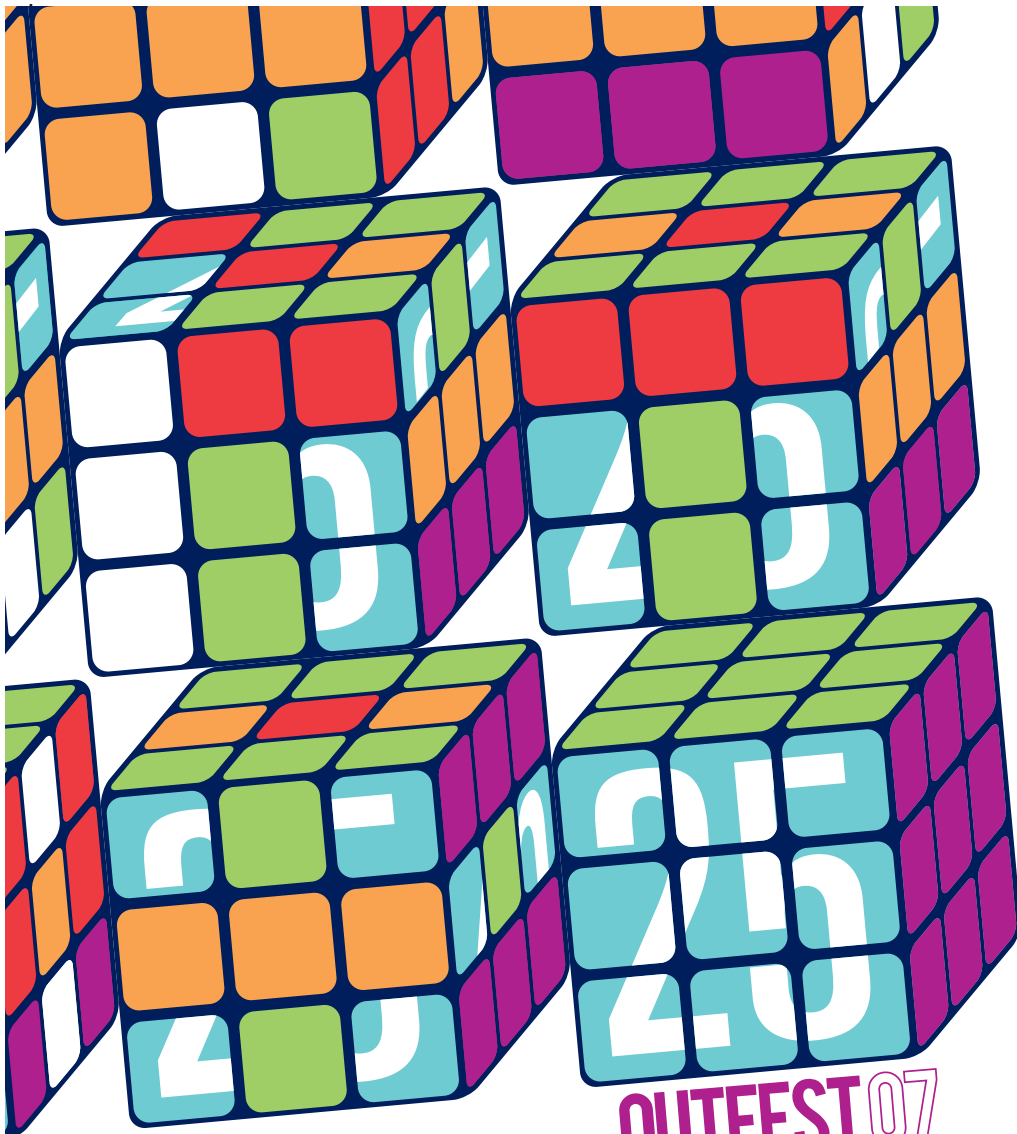

ARIES (March 20-April 19) This month rates a solid 9 out of 10, Aries! Almost everything goes as planned (not to be confused with goes smoothly). Games of chance pay off nicely June 27. Your sage counsel helps a troubled soul July 1. A marathon-type business deal crosses the finish line (finally and happily) on the 11th. Congratulations!

TAURUS (April 20-May 20) Basically, you'll fly to the stars and back during most of latter June. Like being at the top of Mt. Everest. Hold on tight though, because you make rapid but brief descent to Death Valley from July 3-6. Everything rebounds nicely as of the 9th and you'll once again be the apple of everyone's eye. Hide out on the 14th if you can.
