The Fabulous World of Porn

By Jon Afalla

The annual AVN Adult Entertainment Expo is a unique tradeshow experience. The largest event of its kind, the AVN Adult Entertainment Expo showcases the most comprehensive collection of adult talent, exhibitors and products that attracts buyers and fans from around the world.

Sponsored by *Adult Video News* (AVN) and produced by Home Entertainment Event, the 2007 AVN Adult Entertainment Expo will take place Jan. 10-13, 2007 at the Sands Expo Center.

"The AVN Adult Entertainment Expo has long-been, and continues to be, the best venue for adult product suppliers and retailers to get together to conduct business and network," noted Paul Fishbein, publisher of *Adult Video News*. "A lot of people are asking who's going to be at the 2007 Expo, and I am pleased to confirm that all the industry's leading studios and retailers will be there."

Exhibitors in 2007 will include Adam & Eve Productions, Cherry Boxx, Club Jenna, Digital Playground, Inc., Evil Angel Video Productions, Hotmovies.com, Hustler Video, JM Productions, Metro Interactive LLC, New Sensations, Pleasure Productions, Pink Visual, Pure Play, Private Media, Red Light District, Sex Z Pictures, Sin City, Smash Pictures, Vivid Entertainment Group, Wicked Pictures and Zero Tolerance. For a complete list of exhibitors and events during the Expo, visit www.AdultEntertainmentExpo.com.

Also to be held in conjunction with the event is the *GayVN* Expo, a designated portion of the show floor devoted to this thriving segment of the adult industry. Additional information can be found at www.GayVNE expo.com.

Fan tickets are now on sale at www.AdultEntertainmentExpo.com. One-day fan passes cost \$60, a \$15 saving compared to onsite ticket purchases. Consumers may also purchase all-new three-day fan passes for \$160. Onsite VIP tickets are \$100.

The AVN Adult Entertainment Expo also sets the stage for the 24th annual AVN Awards Show, which will be held at the Mandalay Bay Events Center, Saturday, Jan. 13, 2007. The annual AVN Awards Show is the premier gala of adult video and recognizes titles, individuals and companies for contributions to and excellence in the industry. A separate ticket is required for admission to the AVN Awards Show. Tickets may be purchased online at www.AVN Awards.com.

Companies interested in exhibiting may contact Home Entertainment Event's Janet Gibson at jgibson@heeteam.com or by calling (714) 338-6726. ▼

What's Your Fantasy?

THE STAFF PAYS HOMAGE TO THEIR FAVORITE ADULT WEB SITES

ChaosMen.com/CorbinFisher.com

ChaosMen is updated every two days. Bryan Ockert (photographer and creator of ChaosMen) takes chances in editing, uses innovative camera angles and the guys are fine. CorbinFisher also has youthful, college-aged models in some very risqué poses. They are the most beautiful men on the Internet.

Xtube.com

It's just like Youtube—it's free and just about everyone uses it on a daily basis. *But* it's X-rated. While, you won't find any uploaded videos of old *Smurf* or *Saved by the Bell* episodes, you're sure to find anything and everything porn. Some of the video clips may be short in length, but there are always new videos to peruse, which anyone looking to get off quickly can appreciate. And it's not just a gay site. You can find straight and bi videos and pictures, too.

RuffandHot.com

It's a free picture-posting site with thousands of hot, rough, blue-collared men. It has a great variety of amateur, straight-looking studs. The pictures are red hot.

MilitaryClassified.com

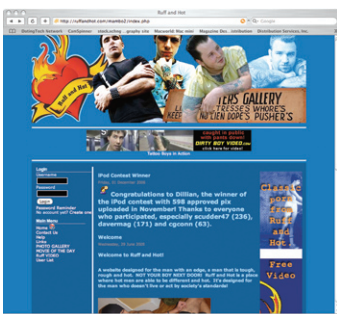

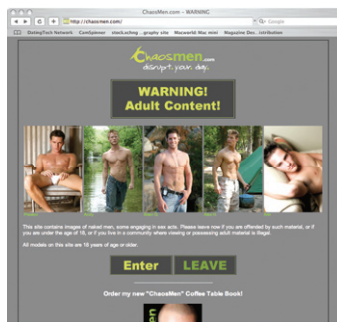

The models on this site look different compared to men on other adult Web sites. They're not all perfect with ripped abs and chiseled looks; the guys on MilitaryClassified look like everyday (but hot) military men. These "straight" guys are all serviced by the same raunchy guy. It's different and interesting because it shows that even average-looking men can have sex with hot guys.

DudesNude.com

Thousands of real, ordinary men from all around the world (literally) proudly post their hot self-pics and videos here. Access to the site is free, although "support tokens" can be purchased for additional features, but these aren't really needed. An advanced search function allows visitors to find any type of man imaginable, based on penis size, body type, ethnicity, location, number of tattoos and dozens of other characteristics. This site has it all.

PinkSofa.com

It's not a porn site, but you have to be 18 to register for this free, MySpace-type page for women who like women. It's great for good lesbian conversation.

STERLING REPUTATION

Continued from Page 14

It's amazing. When you're in the adult entertainment business you can come right out and say you're having sex and getting paid for it and not get in trouble. If I paid you to have sex with me—aside from being the dumbest thing you've ever done in your life—that would be illegal. That would be prostitution. But I could pay you to have sex with somebody else and film it. I think a lot of it has to do with safety and risk, with the prostitute himself and the client. A lot of prostitution laws are set up to protect the prostitute themselves from clients or being victims. A lot of them are written for health reasons. There is a dividing line from a professional standpoint of an artistic media area; to purchase a specific sexual act is illegal in almost all states, but to purchase time is different.

Have any production companies asked you to do bareback videos?

Yeah. I've never done a bareback video though...my personal preference.

What about safety? Do they do HIV tests before they shoot?

I've never worked for a studio and officially been in that situation, but to my knowledge they usually do what's called status matching; they match partners of equal status to the best of their ability...two positive partners together, two negative partners...they assume the risk. Straight porn is different. They pretty much only allow negative actors and there's a constant testing and retesting. It's fascinating to see the difference in the genre of porn in the legalities with condoms and barebacking, especially in California. There's such a wide variety of genres and you see how they operate is drastically different. I mean, there's risk assumed with any job performed. If the actor's willing to take that risk, then so be it.

Is it possible for a positive actor to infect another positive actor with a different type of HIV that would make him even sicker?

That's the theory of super infection, which no doctor has actually nailed. They haven't proved that it exists, and they can't prove that it doesn't exist.

One thing that *does* exist, however, is Marc's prolific portfolio. Check him out at www.thexxlife.com, where you can view all things Sterling, including his reputation. Thank you, Marc. Keep it up. For the rest of us. ▼

You meet a new benefactor Dec. 18. That extra income source really floats your boat. Christmas Eve looks enjoyable but quiet. A holiday brunch Jan. 1 proves quite festive. You'll be back in those slim jeans by the 8th. Be sure to show them off.

Capricorn

(December 22-January 19)

Busy is as busy does, and no one works harder than you, Capricorn. Dec. 15-22 proves to be a madhouse of activities. Sweet getaway from 23rd-27th proves intoxicating. Obey the speed limit Jan. 2. Your insight and experience save the day on the 11th.

Though you'll be going like a dynamo, most things shall just fall into place. Avoid a power play Dec. 19. Count to 20 before speaking on the 28th. 2007 begins with a bang. Jan. 5 is best for submitting loan applications. Home renovations are best begun on the 12th.

Taurus

(April 20-May 20)

Financial aspects are extraordinary all month long. Holiday shopping on the 21st brings out your inner child. Calls made and received on the 24th trigger waves of emotion. Confirm those travel plans for Jan. 2. That recent business contact will be worth his or her weight in gold.

Gemini

(May 21-June 21)

Juggling projects continues to be your specialty. Avoid partying from Dec. 19-22 to avoid pre-holiday burnout. All eyes will be on you Dec. 24. It's better to stay home for New Year's and go away the next weekend. A romantic encounter on the 13th puts you in the zone.

Cancer

(June 22-July 21)

Go ahead and splurge on that new PC, Cancer; you've earned it. Check your vehicle before running all those errands Dec. 20. The period between Christmas and New Year's is a mixed bag. A minor financial coup gets 2007 off to a nice start. Be careful whom you confide in on the 9th.

Leo

(July 23-August 22)

Always on the go, eh Leo? Even the holidays don't slow you down much. Please promise not work on the 24th and 31st. Your dazzling presence shall be needed at several functions. A major real-estate deal starts Jan. 4, but you must see it through to its completion.

Virgo

(August 23-September 22)

Leo isn't the only one firing on four thrusters. Some may be surprised by how resourceful you are, especially Dec. 20. A minor legal matter clears up by the 27th. Mounting expenses cause temporary cash drain Jan. 7. Don't be the first to volunteer on the 13th.

Libra

(September 23-October 22)

All that hard work (and multitasking) is paying off big time. Finances look especially strong Dec. 18 and Dec. 23. The 29th and 30th provides an overdue romantic sizzle. Kill the competition with kindness Jan. 4. Be sure to dress in very high style on the 12th.

Scorpio

(October 23-November 21)

The plan you have will work about 90 percent of the time. Allow for some spontaneity in life, most notably Dec. 19. Let your sweetie get in the last word on the 28th. Make New Year's Eve a feast for two. A once-dead business deal gets resurrected around Jan. 10.

Treasure Island Media is more a cult than a film studio.
-Mark Adams, Vidioview.com

Wow...ok, so I was at a friend's house over the weekend and we were watchin the Plantin Seed 2 video. I've never been so turned on before. I mean, the entire video is hot. Every scene literally had my [redacted] throbbing. The reason for this email though has to be that last scene between Jason Summers and Johnny Farrell. Johnny probably has the best ass I've ever seen in porn. It's like it was made for [redacted] I wanted to dive in the tv screen and [redacted] out myself. The whole scene is a challenge to slutty bottoms everywhere. He obviously enjoyed that Jason's [redacted] and he took that [redacted] like a champion (and what a [redacted] it was...damn) He made me want to [redacted] that ass, and for that I have to say great job to you. I mean, porn is porn, but for me to decide to send an email about a porn I saw 4 days ago that's still fresh in my memory means it was [redacted] hot. Thanks...and uh, when do I get to see more of Johnny's ass?

- Greg Sehns Jr., 22, Minneapolis, MN

Treasure Island Media is the best porn studio there should be a law against.
