# The Center Opens its Pharmacy

## Partnership with Genoa Healthcare Provides New Resource for the LGBTQ+ Community

**T**his week, the LGBTQ+ Community Center of Southern Nevada opens its long-awaited in-house pharmacy. This multi-year process forged a partnership between The Center and Genoa Healthcare to provide pharmacy services. QVegas interviewed Brian Hosier, Chief Operating Officer for The Center, and the community champion behind the pharmacy project.

### WHAT DOES THE PHARMACY MEAN TO THE CENTER AND OUR COMMUNITY?

It's an exciting time for the center and our community. The amount of support we've gotten from the community has just been amazing to bring us where we are today. It's probably one of my proudest moments of my professional career because it's a huge impact on our community. It doesn't get better than that.

### WHY DOES THE CENTER HAS A PHARMACY?

We have a pharmacy to meet two critical needs. One is to provide full service to our clients in the clinic.

It's a pharmacy that's dedicated to their needs, understands their needs, and will make sure that they're well taken care of.

When a client comes in, they get all the services needed and can walk out the door with their prescription in hand. At times can be lifesaving. It's really important that we have that full circle of care.

### CAN ANYONE USE THE PHARMACY?

Absolutely. It's a full-service pharmacy open to the public, so we encourage

people to transfer their prescriptions there. Genoa is a specialty pharmacy, and this is their fourth pharmacy in Nevada.

The second big issue we're addressing is the community around us. Pharmacy services are something that's solely lacking for the community in which we're situated. These folks don't have a lot of means or transportation, and it's over two miles each way for them to get to a pharmacy.

We are located in the immediate area served by the clinic. We're being good neighbors, making sure that our community is getting what they need.

### WHAT WAS THE PROCESS LIKE IN GETTING THIS PHARMACY ON-SITE?

It was a lot of work. It took a lot of determination once we got people on board and they understood our vision and understood the importance of having that on-site. It was a matter of how we could make it happen. A lot of logistics go into place—everything from site inspections to plans, how we do the build-out, licensing to the state, contracting, which can sometimes be a pretty tedious process. Our partners at Genoa were amazing and

made this process as painless as possible.

### HOW WILL DAY-TO-DAY EXPERIENCE IN THE CENTER CHANGE FOR PEOPLE VISITING THE CENTER WITH THE PHARMACY?

Other than having another service available to them with the pharmacy on-site, people won't see much change. The pharmacy adds to the impact that we make to the community, but there's much more to come. We're continuing to find ways to broaden what we do and have the biggest impact because we all know that Southern Nevada has some of the highest rates of HIV, STDs, and STIs.

### HOW MANY DIFFERENT PRESCRIPTIONS DOES THE PHARMACY KEEP ON SITE?

They keep most prescriptions on site. Specialty prescriptions can usually arrive within a day.

### ARE THERE ANY WOMEN'S HEALTH SERVICES THAT THE CENTER CAN PROVIDE SPECIFICALLY?

As we continue to expand from a testing clinic into primary care, we're looking at women's health and trans health as well. The ultimate goal for the Arlene Cooper Community Health Center is that we have a location that is primary care within that facility, we have all the services that the LGBTQIA+ community could want from primary care to mental health services, to dental services, to an expanded pharmacy, a drive-through, and care that focuses on trans and women's health

### WHAT ABOUT PREP AND VACCINES?

The pharmacy can fulfill PrEP prescriptions. The new injectable prescriptions can be ordered through the pharmacy and administered by the clinic. The Center is working on being able to provide vaccines, as well.

*The pharmacy is open daily from 8am to 5pm, Monday through Friday, and is located in the main lobby of The Center.*

Next time you're in The Center, meet Angie Gabriel, our resident pharmacist

## Please take part in the Community Marketing & Insights (CMI) 17th Annual LGBTQ Community Survey!

For over a decade, this survey has provided free data to help non-profits, universities, and organizations better understand and serve the LGBTQ community. The report will be published on the CMI.info website for free download on approximately August 15. Previous surveys have had over 45,000 participants from 150 countries!

Also, participation in this survey gives important feedback to our LGBTQ community media and organizations, and provides data to companies interested in serving our community, sponsoring our charities, and supporting their LGBTQ employees.

The survey should take about 12 to 15 minutes to complete.
