PENN & TELLER
PRESENT

Michael Carbonaro

LIVE IN VEGAS

MAY 25 - JULY 2

MICHAELCARBONARO.COM

MAGICIAN
OF THE
YEAR

Rio
ALL-SUITE HOTEL & CASINO
LAS VEGAS

Michael Carbonaro returns to the stage with his new show, "Michael Carbonaro: Live in Vegas" at the Penn & Teller Theater in the Rio All-Suite Hotel & Casino. This six week engagement continues to bewilder and entertain audiences of all ages with Carbonaro's unmatched combination of humor and illusions.

Michael Carbonaro,

an exceptional talent in the world of magic and television, is the ingenious mind behind the hit truTV series, THE CARBONARO EFFECT. Born and raised in Oakdale, New York, Carbonaro found his calling early in life, demonstrating an innate talent for magic that saw him performing professionally and funding his college education while still in his teens.

Carbonaro's passion for magic seamlessly interweaves with his love for experimental theater, a path he pursued with vigor at New York University's Tisch School of the Arts. His unique blending of magic and theatre expanded the horizons of both mediums, as his original hidden-camera magic performances brought a fresh wave of intrigue and entertainment to audiences worldwide.

His frequent late-night appearances, most notably on "The Tonight Show with Jay Leno," showcased his ability to integrate magic seamlessly into everyday situations. In these segments, Carbonaro transformed mundane scenarios into mind-bending feats of illusion, leaving audiences both

astonished and amused.

This novel concept led to the launch of "The Carbonaro Effect," a hidden-camera magic reality television show. Over 100 episodes and counting, the series encapsulates Carbonaro's unique brand of magic. His illusions, whether making a car disappear from under a security guard's nose or transforming alien crabs into kittens, leaves unsuspecting members of the public and home audiences equally bewildered and delighted.

Apart from his achievements in magic and television, Carbonaro is also an accomplished actor. He has made appearances in multiple popular TV shows such as Happily Divorced, 30 Rock, Grey's Anatomy, and CSI Miami. His acting prowess extends to the big screen as well, winning the Outfest "Best Actor in a Feature Film" award for his role in the 2006 comedy, Another Gay Movie.

In 2016, Carbonaro embarked on his first theater tour, "Michael Carbonaro Live!" His performances, which showcased his unique blend of humor, charisma, and inventive illusions, were a hit. The show was performed over 200 times across the country to sold-out audiences, establishing Carbonaro as one of the most dynamic entertainers of his generation.

Away from the limelight, Carbonaro is open about his identity as a gay man. He has been married to actor Peter Stickles since 2014. His openness about his sexuality, along with his commitment to his craft, positions Carbonaro as a significant figure

in both the entertainment industry and the LGBTQ+ community.

Michael Carbonaro, with his distinctive blend of magic, humor, and a dash of the absurd, has truly carved a unique path in the world of entertainment. Whether it's on television, on the stage, or in real-life interactions, Carbonaro's magic continues to leave audiences spellbound and laughing, showcasing the unlimited possibilities of entertainment through illusion.

Visit ticketmaster.com for tickets and more information.

Michael will be attending GLAM as a Celebrity Guest on June 11 at Ghostbar at the top of The Palms.

Kylie Sonique Love Stars In New Music Video Cover Of Cyndi Lauper's 'True Colors'

Kylie Sonique Love has released a music video cover of Cyndi Lauper's 1986 hit song "True Colors." In anticipation of the three-day OUTLOUD Music Festival @ WeHo Pride, the video is a show of solidarity against the current slate of anti-drag and anti-trans legislation sweeping the country and encourages LGBTQ+ individuals to show their "True Colors."

The star-studded music video cover of "True Colors" by Kylie Sonique Love is a meaningful gesture that reinforces this message. The music video stars the first trans woman to win RuPaul's Drag Race and triple threat entertainer, Kylie Sonique Love, whose electric performance brings a

new life to the beloved classic.

Alongside Kylie are eleven noteworthy drag performers representing the different colors in the Equality Flag. The cast includes drag icons Alaska, Angeria, Aurora Sexton, Eureka, Heidi N Closet, Jimbo, Miss Shalae, Rajah O'Hara, Spice, Sugar, and Willam, who lend their fun and recognizable personalities to the video's production.

OUTLOUD and the City of West Hollywood stand in support and solidarity with the trans and drag communities and work to create safe spaces where everyone can express themselves freely and authentically. The video is a tribute to

the resilience and strength of the queer community and serves as a call to action for everyone to stand up for the rights and dignity of all queer people. The City of West Hollywood has long been an epicenter for LGBTQ+ activism, organizing, and progress, and the City continues to be instrumental in mobilizing advocacy for LGBTQ+ people including the recent effort to declare the City of West Hollywood a sanctuary city for transgender people in April 2023. Through creative programs like this, Drag Story Hour, and the upcoming Drag Laureate program, the City of West Hollywood and OUTLOUD continue to shine a spotlight on queer voices and bring LGBTQ+ matters to the forefront.

For over a decade, this survey has provided free data to help non-profits, universities, and organizations better understand and serve the LGBTQ community. The report will be published on the CMI.info website for free download on approximately August 15. Previous surveys have had over 45,000 participants from 150 countries!

Also, participation in this survey gives important feedback to our LGBTQ community media and organizations, and provides data to companies interested in serving our community, sponsoring our charities, and supporting their LGBTQ employees.

The survey should take about 12 to 15 minutes to complete.
