Whether you're a local or tourist, we always feature our favorite spots along with all the new and exciting things our city has to offer.

Our cover this week features Jessica Alves. Prior to her transition, she was often referred to as a human Ken doll. Read about her journey and catch her this Sunday at GLAM.

Pride Month is here, and we're keeping track of all the swag, merch, cocktails, and ally companies. Virgin Hotels has specialty cocktails that support AFAN, House of Blues will contribute a portion of sales to The Center, and just add sprinkles to a Shake Shack shake to support PFLAG.

GLAM returns this Sunday with a special PRIDE Edition that you won't want to miss. Pull out all your rainbow gear and meet us on the roof!

LAS VEGAS SHOWS ITS PRIDE

Local companies including MGM Resorts, Caesars Entertainment, Virgin Hotels, and Hard Rock Cafe have changed their social media to rainbow versions in support of Pride Month.

The Venetian Resort illuminated their tower with the rainbow colors to show support for the LGBTQ+ community.

Monét X Change performs at Virgin Hotels Las Vegas on June 16th.

Conservative backlash has hit several companies in recent months for their support of the LGBTQ+ community. Bud Light and Target, two traditional ally corporations have been pressured into rolling back their support. The US Navy pulled Pride images from their social media.

A drag show initially scheduled for June 1 celebrating Pride Month, organized by the Nellis LGBTQ+ Pride Council, was canceled amid pressure from Rep.

Matt Gaetz, (R-Fla). The Department of Defense has directed Commanders not to host Drag events on military installations.

The LA Dodgers came full circle in their support of the Los Angeles Sisters of Perpetual Indulgence, first uninviting them and then re-inviting them. Our own Las Vegas Aces will hold their Pride Night at Michelob Ultra Arena at Mandalay Bay.

House of Blues Restaurant & Bar is hosting a special cocktail menu in honor of national PRIDE festivities. These cocktails, which are available for the entire month of June, are not just beautifully crafted but also for a good cause - \$2 from each cocktail goes to support The Center.

You Sexy Peach – A delightful blend of peach vodka, coconut puree, pineapple juice, and grenadine.

Wildflower – A drink with a refreshing tang, made from peach vodka, elderflower liqueur, agave, and lemon.

Raspberry Kiss – A fruity and tart concoction, made from Bacardi Raspberry rum, raspberry puree, muddled raspberries, lemonade, and soda.

Cucumber Melon Dream – A fresh and invigorating drink that contains Svedka cucumber lime, Midori, lime juice, and grenadine.

The cocktails are available in both the main dining room and the main bar, giving everyone a chance to participate. And best of all, no reservations are required!

Virgin Hotels Las Vegas is partnering with Aid for AIDS Nevada (AFAN), the state's largest non-profit AIDS service organization, to donate a percentage of profits from many events and dining offerings to the organization throughout the month of June.

GLAM, the Fiercest Rooftop Party in Vegas started in January at Ghostbar, the iconic lounge at the Palms. Since then it has become a featured destination—one of the top LGBTQ+ places in Travel & Leisure. The Pride Month edition happens this Sunday.

Total Wine at Town Square features several LGBTQ+ products in a prominent Pride end cap display.

Shake Shack is adding a fun and delicious way to support national Pride month this June. They are offering the opportunity to add sprinkles to any shake or custard for just an extra 50 cents, and the proceeds will go towards supporting PFLAG National. PFLAG is the United States' first and largest organization dedicated to supporting, educating, and advocating for LGBTQ+ individuals and their loved ones.

The "Sprinkled with Pride" fundraiser will run throughout June, from the 1st to the 30th, and a select range of limited-time shakes will be available from June 1st until early fall. Here's a rundown of the exclusive shakes:

OREO Funnel Cake Shake: Indulge in the delightful mix of OREO cookies and funnel cake crunch that's hand-spun with vanilla frozen custard. It's topped off with chocolate whipped cream.

Triple Chocolate Brownie Shake: A chocolate lover's dream, this shake has chocolate frozen custard that's hand-spun with brownie bits, chocolate sprinkles, and chocolate chips. It's finished off with whipped cream and a brownie crunch.

Non-Dairy Chocolate Shake: Everyone can join the fun with Shake Shack's new plant-based offering. This non-dairy shake is made with NotMilk™ and provides a creamy, chocolatey, and vegan-friendly treat.

Don't forget to add those PFLAG-supporting sprinkles!

Celebrate Pride month with a sweet treat and contribute to a great cause at the same time. With sprinkles added to your shake or custard, you can help make a difference!

Available in Las Vegas at Downtown Summerlin™, The District at Green Valley Ranch, North Premium Outlets, and New York-New York Hotel & Casino

Las Vegas Aces vs. Seattle Storm

A celebration of inclusion and equality, featuring live in-game recognitions, performances, entertainment by the LGBTQ+ community, and exclusive Pride merchandise.

The first 5,000 fans in attendance will receive a progressive Aces-branded Pride flag.

**JESSICA ALVES:
A JOURNEY THROUGH TRANSITION,
TELEVISION, TOLERANCE, AND PRIDE**

Jessica Alves, a prominent TV personality with an international career spanning 13 years, has become a beacon of strength and resilience for the LGBTQ+ community worldwide. Alves, who hosted 800 television shows across 24 countries and appeared on *Big Brother* in both the UK and Italy, recently spoke about her journey and future plans in an intimate interview.

A polyglot with proficiency in six languages and a master's degree from a UK university, Alves believes in lifelong learning as a cornerstone of personal growth. She is currently working on several new television projects set to launch after the summer, further solidifying her place in the industry.

An LGBTQ+ icon herself, Alves acknowledges British model and transgender activist Munroe Bergdorf as a major influence in her life. Bergdorf's advocacy in transgender rights and education in the UK and globally served as a powerful catalyst during Alves' own transition.

Despite her public status and global recognition, Alves has not been immune to criticisms related to her sexuality and gender identity. However, she chooses to view these criticisms as opportunities for educating people about respect, tolerance, and understanding, instead of dwelling on negativity. Her primary focus remains on finding her happiness and true identity.

For Alves, Pride Month holds a deep, personal significance. It serves as a reminder that unity and education can lead to greater love and tolerance worldwide. She passionately advocates for these values, hoping they will become the central theme for future Pride Month celebrations.

Discussing her own transition, Alves emphasizes the importance of open communication with close friends and family, the role of medical intervention such as hormone treatments, and the need for emotional strength and patience during the lengthy process.

Being a public figure, Alves believes it was necessary to share her transition journey openly. She faced professional setbacks, losing multiple television contracts during her transition, which she attributes more to individuals in power than to societal resistance. But today, she uses her platform to educate others about transgender issues and provide support to those in need.

Speaking about the Pride Month, Alves identifies the lack of governmental support for medical transition procedures as a significant issue that deserves more attention. She argues for less bureaucracy and greater accessibility to these necessary medical services.

Cosmetic surgeries played a crucial role in Alves' journey to align her appearance with her gender identity. She recognizes the costly and time-consuming nature of these procedures but underscores their positive impact on her mental health and lifestyle.

Alves shares that her transition journey has been supported by the public. She acknowledges the initial struggles of her family, the loss of friends, but also the formation of new friendships along the

way.

In terms of her personal life, Alves has a deep-rooted connection with Las Vegas, where she spent time as a flight attendant for Virgin Atlantic before her rise to fame. The city's vibrant atmosphere matches her personality perfectly, making it an ideal location for her to celebrate her 40th birthday.

In conclusion, Jessica Alves is not just a successful television personality; she is a symbol of resilience and an advocate for the transgender community. Her life and her journey serve as a powerful testament to the importance of personal authenticity, societal acceptance, and the power of education in fostering a more tolerant and inclusive world.

Jessica will be attending GLAM as a celebrity guest on Sunday, June 11th at Ghostbar at the top of the Palms Hotel & Casino
