Summerlin Council Patriotic Parade

American spirit will be on full display this Fourth of July in Summerlin. After two years, the Patriotic Parade is returning in star-spangled style, complete with dazzling floats, larger-than-life balloons, dynamic performances, and, of course, tributes to our U.S. military heroes. It's sure to bring all the small-town spirit and big-city pageantry you've come to expect. So mark your calendar and make plans to celebrate Independence Day with us!

Keep your pet safely away from fireworks

Pets are more sensitive to loud noises, flashing lights and strong smells. On the Fourth of July, and other days people are likely to set off fireworks, it's best to leave your pets safely indoors, preferably with a radio or TV turned on to soften jarring noises.

ANDREW RYAN

When we saw Andrew's thirst-trap photos on social media, it made us "want a hot dog REAL BAD!" So we couldn't wait for our 4th of July issue! Chances are you probably know or have seen Andrew. From his current role in *Naked Boys Singing* to his iconic impersonations of Katy Perry and Shania Twain on the Las Vegas Strip, to his volunteering for countless charities in Las Vegas, to his full-time job working for Aid for AIDS of Nevada where he plans events like the infamous Black & White Party each year and the annual Las Vegas AIDS Walk.

Born and raised in the small town of Parker, Arizona, Andrew started doing drag in Arizona bars and nightclubs. First put into drag by Miss Gay America Mikaila Kay and competed in Barbra Seville's newcomer drag competition at Charlie's Phoenix later that year where he won.

After moving to Las Vegas in 2008, he did bar and club shows

that eventually led to auditioning as a celebrity impersonator and got the job as Katy Perry and Shania Twain performing six nights a week on The Strip and touring for over 6 years.

Working with some of the best in the business every night, Andrew learned stage presence from Larry Edwards "Hot Chocolate", comedy from Brian Keith, makeup from Kenneth Blake, costume design from Coco Vega, and character nuances from Steven Wayne, Sammy Gonzales, and Crystal Woods. You couldn't ask for better teachers than those legends.

Andrew had attended the Black & White Party and AIDS Walk events over the years. He started working with AFAN 5 years ago doing Marketing and Events. Being behind the scene and bringing his entertainment and design experience to AFAN has been a wonderful experience for him. HIV/AIDS advocacy and client services are needed now more than ever, especially during the pandemic. Andrew is part of a hard-working and dedicated team at AFAN and their work is inspiring to the Las Vegas Community.

In 2022, "Naked Boys Singing" producer Tom D'Angora reached out to Andrew for an audition. As social media friends, Tom knew Andrew loved being on stage and performing. The opportunity for Andrew to challenge himself and do more with his entertainment career presented itself at the perfect time. Having already performed in one of the longest-running shows in Las Vegas, and *Naked Boys Singing* is one of the longest-running Off-Broadway shows (we suppose it's really is about length for him), Andrew was thrilled at the chance to be on stage again and to get to sing live.

Andrew went from covering almost everything to covering nothing. "I spent years hiding my 'talent' and now it's literally in the spotlight! I love the creative process of drag almost as much as performing. I overthink every detail—hair, nails, jewelry, shoes, sequins, etc.," said Andrew. "Approaching NBS all I could worry about was getting a pedicure and bleaching my teeth so that was very different. There is something very empowering about being naked on stage. I feel like I could do anything now."

What's next for Andrew? "I wear many hats, and sometimes wigs. My partner and I own InHaus Marketing & Yass Merch. We do everything from graphic design to promotional products and merchandise fulfillment. My focus in college was Design Management and Art so it's great that I get to keep those muscles flexing as well. We have done some great marketing campaigns in the past year and produced merch for Drag artists and Pride organizations across the country."

Andrew recently filmed a documentary with Shania Twain for Vice Media that will be coming out later this year. The series focuses on her influence on pop culture, country music, and her relationship with the LGBTQIA+ community. Shania and her team invited Andrew to give his perspective as an impersonator. Filming was together backstage and onstage at her show at Planet Hollywood and at his home here in Vegas.
