Kristine W is pushing dance floors forward this Fall with her new single, "Can't Look Back", the first release from her upcoming album. The song is a lush, soulful club groove, made even more powerful with its message of rising up and appreciating the day. It was inspired by the passing of Kristine's mother.

KRISTINE W RELEASES NEW SINGLE "CAN'T LOOK BACK"

Kristine W is pushing dance floors forward this Fall with her new single, "Can't Look Back", the first release from her upcoming album. "Though she faced unbearable loss during her lifetime, my mother was a perpetual optimist," Kristine explains. "She never wallowed in pain from the past. She chose to forge ahead, holding tightly to hope, faithful in her belief that tomorrow would be a brighter day."
